### What is a Pop Maths Quiz?

The Pop Maths Quiz is a TEAM competition that runs a bit like a Pub Quiz but without any alcohol!

Teams consist of 4 students (under 19 years) who, during the Quiz, work as a team to attempt to solve a number of questions on a wide range of mathematical topics.

Not all questions require specific A-level maths knowledge but all questions have a mathematical flavour.

### What are the prizes?

There are substantial prizes awarded to the winners on the day and the school names will be published on the LivMS website.

Certificates will be awarded to all winners and entrants.

### Prizewinners 2017:

- 1st prize Carmel College team 3
- 2nd prize Runshaw College team 1
- 3rd prize West Kirby Grammar School team 1
- 4th prize Runshaw College team 2
