

# Never Say Die

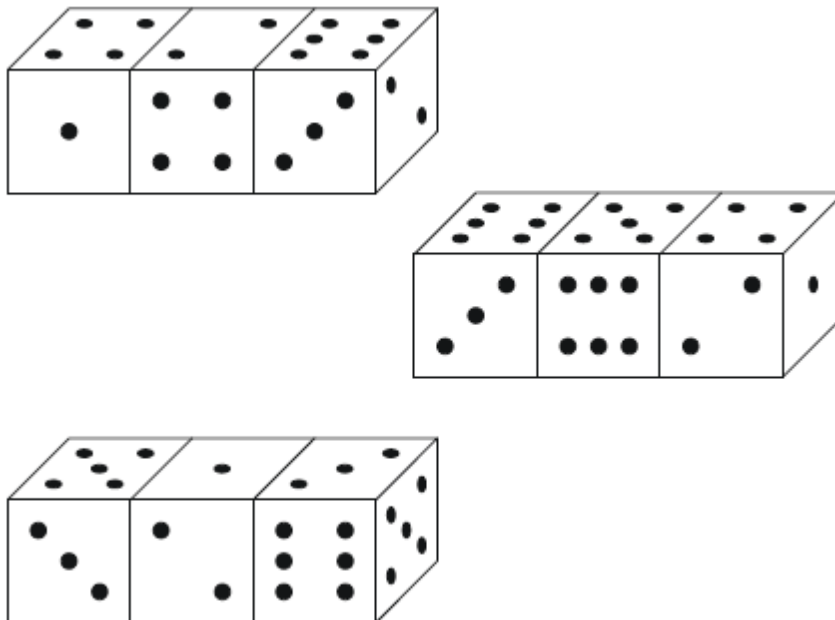

**Baseboard - none**

**Resources** You need **3 normal six-sided dice**

**Instructions** Roll the dice. Look at the number of dots on the top.  
Then look at the number of dots on the bottom.  
Add these numbers together.

Repeat this a few times. What do you notice?

Now look at the three pictures below.

Write down the sum of the dots touching the table in each picture.

Multiply these three sums together.

What is your answer?
