

LivMS Committee Meeting

Tuesday 22nd September 2021

Item 4 (b) Pop Maths Quiz 2022

There are no changes from the details reported in the minutes of the last committee meeting, which are:

Pop Maths Quiz

- Liverpool John Moores University is willing to assist in running a similar event next year in a **mixed format consisting of both an online (streamed) and in-person quiz**. The 'live' version of the event will continue to give out prizes as before, while online participants will receive certificates.
- It was agreed that this event will go ahead.

Meetings between Ian, Barry and Tony will be held soon to explore logistics involved with hosting the proposed mixed format event.

Item 6 MEM News

- (a) **MEM AGM and committee meeting** – this was held on 9th September 2021. All existing trustees were re-elected and Graham Reeve joined the trustees.
- (b) **MEM Orbiter September 2021** – the Orbiter was released on Monday 13th September 2021
- (c) **Masterclasses 2021** – a reduced programme of 3 face-to-face sessions in October and November and December has been planned, for a smaller cohort of 40 pupils. The response has been excellent, and all 40 places have now been allocated. The venues will be ULMaS, Hope and UoL. No online alternatives are being considered at this time
- (d) **Challenge and Senior Challenge 2022** – the expectation is that these will go ahead as usual in February half-term 2022.
